

Information

Ilk: Brassicaceae

Species: *Brassica juncea* var *rugosa*.

French: Red mustard;

Italian: red mustard;

Spanish: Red mustard

ORIGIN AND DIFFUSION:

Eastern brassica is used as baby leaf. The plant has an erect growth habit and has 4-5 bullous leaves with ovoid shape.

The color is purplish-red on the outside of the leaves and the taste is very aromatic.

It is well suited to flavor the salad.
